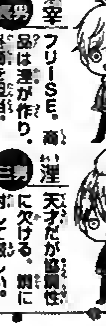
人物

佐藤風香

しっかり者の学級長。遥同様に変り者。遥に注意するが、逆に振り回されている。

次男 煌 ちょっとチャラいが、明るく優しい。大学生。



四男 凌 無口な中学一年生。ペットの・にっぽりと仲良し。

長男 宰 フリーSE。商品は妻が作り、外商を担当。

三男 涅 天才だが協調性に欠ける。煌に対して厳しい。

Don't worry about it, okay?
I'm sorry that I couldn't realize it sooner.
It must have been tough wrapping so many towels around you, huh?
You made her disguise herself, didn't you?!
And so, Kairi-kun has been angry.
Akari-san...
I was deceiving every one yet
Extremely in shock
Extremely hungry
Don't be so in shock just because her appear-ance changed
Akari-san's hand is very warm.
GET AWAY FROM HER!
HEY! AKARI
Wanna go on a date then?

Satou Fuuka. As of today, you're fired,
HUH?!
Our housekeeper can only be Fuuka-chan!
Let go of her, Akari.
I'm the one that pays her salary. I'll decide what to do.
You're going to give her back to the debt collectors? You devil!
Let's find a workplace which gives her housing as well.
I don't want to involved in troublesome things when the school finds out about this.
Satou-san wants to pursue her education, though.
Just give it up.
Commoners can not have both work and education.
THE HELL!
Oh no, they're fighting
CAN'T YOU EMPATHIZE A LITTLE?!

MY PAREMS ARE YOUR PAREMS
KAIRI, YOU TOO!!
KAIRI, KAIRI!
SCREAM
Munch munch
Stuuurp
Ohh... Minato-kun may know how to resolve this.
It's her fault she was born into a poor family.
Walk Walk
SHE CAN'T CHOOSE HER FAMILY! THAT'S JUST LUCK!
GLITTER
Then I guess she should hate her parents.
WILL YOU GIVE ME A TRIAL PERIOD THEN?!
KAIRI-KUN!
I know!!

I'll walk to school at a different time than you.
I'll do the housework properly!
Please give me half a month...
And then decide whether or not to hire me then!
Half a month won't change my way of thinking.
YOU'LL NEVER KNOW UNLESS WE TRY!
Fine. Half a month it is.

I'LL DEFINITELY MAKE KAIRI-KUN ADMIT THAT I'M A GOOD HOUSEKEEPER!
BUT I WILL BE FINE!
I want to be relied on though...
Let's leave her be for now.
I guess I'll show off my cooking skills first!
Wow, such high quality meat!

I am quite confident in my skills.
I have been doing housework my whole life so far.
My aunt was a strict person, so I'm able to cook most things now.

Where's Fuuka-chan?
She left to school early.
She did promise Kairi that she would attend school at different times.
Huh? This bread is made from scratch?
She's amaz-ing, huh?
I'm making sure to tell her my thoughts about her cooking everyday.
But since she's not here today, I'll write it.
Wow, Akari, you're pretty thoughtful.
You should write something too, Tsukasa.
Hurry Minato, or you'll be late!
Morning, Kairi.
Would you like to jot down your thoughts about this morning's breakfast as well?
Satou-san will be happy to read them.
Ah?

She should make more disgusting foods or else I can't complain.
Why must I try to make her happy?
Scritch
Scritch
Good morning. I'm happy to see that you're here on time.
THUD
Don't talk to me so carelessly.
Wow, he's a jerk today too.
Class rep--

Maruyama-sensei wants you to carry some materials.
Okay, I'll be there.
I'll teach you.
Class rep, could you teach me my homework?
Sure
Same here please.
I would also like some review.
Sure, I'll do so once I come back.
Tap
HUH?
Ugh, what a jerk!

Class rep-- The teacher is calling--
WHAT DID YOU SAY?!
Huh?

Ugh, no way!!
Kairi-kun... for me...?
But my workload decreased...
Fuuka-chan's cooking note
Since my workload at school was light, I'll work hard in cleaning!
I'll do it before anyone comes home!

If you have time to cook, go find a job.
I'll definitely make you acknowledge me!!
I've been trying my best as a housekeeper but...
Kairi-kun, here is your midnight snack.
Don't come in here without permission.
Kairi-kun, would you like Japanese food or Western food?
Who cares.
You seem tired. Shall I massage your shoulders?
Gross, no thanks.

I'll never give up!
But! I won't give up!
Makes me want to punch everything..
THUD
Well, sit down.
What?
Why did you call me out here?
POW

Kairi, when did you start liking Satou-san?
You put up a front saying stuff like you didn't want to be involved in troublesome things...
But you just don't want the rest of us to be friendly with her, right?
HUH?
You fixed her phone, right? You've never done that for anyone else.
Satou-san is also a bit defenseless and oblivious.
She lets Akari stick to her like glue
I'm also worried if anything happens to her within our family.
If you're worried, I'll just fire her.
I'll be assured if you can watch over her. I'm usually not at home since I have work

Kairi, you're the most logical person out of us brothers.
I understand that your cold attitude is your way of thinking for her.
HUH?!
ARE YOU SERIOUS?! HE LEFT!?
And I was being serious...
Flap Flap
Ugh... my client called me out.
PIIIING
Darn, I'll just text Satou-san for now.
Tap
PERSUASION FAILED. KAIRI IS MAD. WATCH OUT.

If she doesn't want to be fired, I'll make it so that she hates her job.
She just messes up my pace.
Stop messing around, ugh. I don't like her at all.
I don't have time to look after her.
Now I just have to serve this...
I'm done.

I'm sorry, I stepped on Nippori's tail, it seems.
I didn't notice at all...
Plop Plop wobble

Ah!
I have some carrots!!
I'm sorry... It probably wanted some vegetables... and came to the kitchen...

It doesn't seem to be hurting... You only stepped on the edges of its fur.
Huh?

Ugh... burns really hurt... Ow.

But... If I trouble the family, they'll fire me...
I know!
I'll go fill up the bath!
I'll cool my arm off there.
Gah!! Kairi-kun!!

Welcome back!

I'm going to fill up the bath right now!
I haven't asked you anything.
By the way, I found some good jobs that provide housing.
No thank you!
I'll be on my way!

To think that Kairi-kun found out...
But... if I trouble you guys, I'll...
Don't leave this alone for so long.
I'M NOT CRYING!
You think you're so cute when you cry, huh?
Annoying
?
It really is annoying that you're so oblivious too.

THUD

Huh?
You're full of openings.
WHAT
WHY?!
STOP!

This household is filled with people who have the capability to do stuff like this by force.
WHY IS HE DOING THIS TO ME?!
THUD THUD
LET GO!
Resistance is pretty futile, don't you think?
GRAB
And you're a woman.
Ah...
I see...
You're worried about me, aren't you...

You've called me simple-minded before.
But I'm not so dumb as to be unaware of your true nature.
That's why you're pretending to assault me to make me quit, right?
Even when you fixed my phone for me, I realized that you have a twisted sense of kindness, Kairi-kun.
You're just...
Kairi-kun, you are kind.

But I really do want to pursue my education, so I'm not willing to quit.
Thank you for your warning.
So, after two weeks, please give me a proper rating on my ability as a housekeeper.
Today's dinner is hamburger steak. Please eat it.
What's wrong with her...
a bit clumsy.

she pisses me off...
